BECOME A FUNDING PARTNER OF THE CYAC

FOR THOSE INTERESTED IN ESTABLISHING A LONG-TERM RELATIONSHIP WITH THE CENTRE AND CREATING TRANSFORMATIVE CHANGE IN THE LIVES OF CHILDREN.

Every child who comes through our doors has a unique story and we need to be able to adapt to meet the needs of every survivor. Being able to do this is how the Child & Youth Advocacy Centre changes lives. Our Funding Partners empower us to be bold and confident as we address the needs of every child along their healing journey.

Our Funding Partners provide a multi-year commitment to help fund our core programming. This long-term partnership with the Child & Youth Advocacy Centre means we can plan for the future while meeting the needs of children today.

WHAT PROGRAMS CAN I SUPPORT AS A FUNDING PARTNER?

The Child & Youth Advocacy Centre leads a change to the system of how children who survive abuse and neglect are cared for, nurtured and believed. This change improves outcomes and builds resilience for children, families and community. Our impact stems from creating a space where trained professionals and available services can come together and work collaboratively to meet needs of the children we serve. We ask our Funding Partners to consider a commitment to the holistic work of the CYAC which empowers us in affecting the greatest change.

Your commitment will support the ongoing development of our five core programs, impacting the lives of our community's most vulnerable children.

- Multi-Disciplinary Response Program
- Child and Family Advocacy Program
- Resilient Families Program
- Prevention and Education Program
- Emergency Response Program

YOUR DESIRE TO HELP CREATES BETTER LIVES. WITH YOUR SUPPORT, WE CAN PAVE THE WAY FOR BRIGHTER OUTCOMES FOR THE MOST VULNERABLE CHILDREN IN OUR COMMUNITY.
