EMPOWERING THE CYAC TO STRENGTHEN OUR PROGRAMS WITH THE CONFIDENCE AND SECURITY OF A MULTI-YEAR COMMITMENT

The Child & Youth Advocacy Centre is here to help the most vulnerable children in our community who are survivors of abuse and neglect. Essential to this work is the development of robust programs which address the many-faceted issues of child abuse. We have designed programs to address the immediate needs of the children who enter our space, their ongoing needs as they travel along their healing journey and education which reaches into the public with the goal of prevention.

Our Program Sponsors make a multi-year commitment to foster the growth of a program over the long term while ensuring that it can be immediately impactful for those who need it. Together we will build resilient families and, by extension, strengthen community.

YOUR COMMITMENT TO HELPING WILL STRENGTHEN OUR PROGRAMS AND HELP PAVE THE PATH TOWARDS BETTER OUTCOMES, HEALTHIER CHILDREN AND A STRONGER COMMUNITY.

Program Sponsors help provide the Child & Youth Advocacy Centre, and the professionals who work with us, the tools needed to foster the holistic healing necessary to repair all that abuse has broken. The CYAC and the programs we have in place create better outcomes for young survivors and their families. The dedicated sponsorship we receive empowers us to further develop existing programs.

We have five core programs areas, each of which could be enriched with committed sponsors:

- The Multi-Disciplinary Response Program
- The Child and Family Advocacy Program
- The Resilient Families Program
- The Prevention and Education Program
- The Emergency Services Program

As a dedicated sponsor you are an everyday part of delivering life changing programs to children in need.
